

The 2008 Financial Crisis – Lesson Plan

&C.

Objective: to write a descriptive paragraph on the **effects** of the financial crisis.

The 2008 Global Financial Crisis resulted in the worst recession since the 1930s. Describe the factors that caused the crisis and, the subsequent consequences.

Stages of Lesson:

1. Acquire some background vocabulary and information on the 2008 Financial Crisis.
2. Read some texts on the 2008 Financial Crisis (highlighting key points; formatting citations)
3. Take notes and organise an outline for a body paragraph focusing on the **effects**.
4. Write a body paragraph based on your notes and paragraph outline
5. Discuss **Exam** – Petra / **البتراء** – procedure and grades
6. Collect (a) Model Outline/Paragraph and (b) “Dictionary skills” homework
